HUGEL et FILS WINE DINNER

WITH ETIENNE HUGEL

Hugel et Fils, founded in 1639 in Riquewihr, Alsace, France, is still 100% family-owned and managed by the 12th generation. Hugel wines express the pure character of each Alsace grape variety, without oak or sweetening, and the family pioneered the rare late-harvest Vendange Tardive and Sélection de Grains Nobles wines. Meet Etienne Hugel in person at this special dinner and understand what makes Hugel et Fils one of the most respected wineries from Alsace.
